1.  LIAISON Spoke with John Elliff, staffer on the Senate Select Committee on Intelligence, regarding Electronic Surveillance Conference. Mr. Elliff said the SSCI and Senate Judiciary have named conferees; conference date has not been set pending naming of House Judiciary conferees. Representative Robert McClory's (R., Ill.) motion to instruct House conferees to remain firm on Ertel amendment to H.R. 7308 regarding "special court" is due on House floor on Tuesday, 26 September. (See Memorandum for the Record.)

2.  LIAISON Called Beverley Lumpkin, House International Relations Subcommittee on International Organizations staff, to tell her that the permission which had been sought in a letter from Chairman Donald M. Fraser (D., Minn.) dated 19 September 1978 for Subcommittee staff member Steven Blush to review notes taken by designated staff members  had been granted.

4.  LIAISON Accompanied Ed Levine, Senate Select Committee on Intelligence staff, to a meeting with  LA/DDO, regarding the current situation in Guatemala. Levine plans to travel there in October and we wanted to bring to his attention recent reports of increased terrorist activity.
